Parents I believe most of you received a dial out all from CCSD on Thursday evening, December 1, regarding the AdvancED Accreditation process that the district is participating in this year. CCSD is conducting a self-study to prepare for an external review visit from AdvancED in order to earn its initial accreditation status. There are many pieces to this accreditation process, and one of them is surveys. The district is requesting your participation in the stakeholder survey. Your responses to survey questions will provide the district with valuable information about the district, our school, and students that can be used to continue to improve educational outcomes. This survey link will be available for parents to complete beginning December 4-February 6. I would appreciate your support in completing the attached survey. Please click on this *link* <http://eprovesurveys.advanced.org/surveys/#/action/13512/p2116> to access the survey or copy and paste the link into your browser. Be assured that your responses to this survey will be anonymous and your honest opinions are appreciated.
